

cablequick[®] FDA type 105 (105x155 mm)

Product information

Efficient connection technology for terminal boxes, control cabinets for tool-free introduction of actuators, sensors, measuring and control instrumentation, optoelectronic, pneumatic lines and drive technology into a control panel. KDPs of the product group 105 fits into standard cut-outs for Rittal and Sarel cabinets when combined with adapter plates. These adapter plates can be configured individually.

The FDA stainless steel version is particularly suitable for use in the food and pharmaceutical sectors. Integrated threaded bolts mean that no screws are visible from outside. Mounting set included in delivery.

V4A : 1.4571

FDA compliant
