

Configuration overview for linear drive
 DGC-40-250-G-PPV-A
 ZUB-2M
 #532449

Basic features	
Feature	Value
Function	DGC Linear drive
Piston diameter mm	40 mm
Stroke mm	250 mm
Guide	G Basic design
Cushioning	PPV Pneumatic cushioning, adjustable on both sides
Position sensing	A For proximity sensor

Options	
Feature	Value
Supply port	Unilateral right or bilateral
Slide	Standard
Lubrication	Standard
Lubrication function	Standard
Additional slide left	Without
Additional slide on right	Without
Clamping unit	Without
Actuation type	Without
EU certification (ATEX)	Without

Accessories	
Feature	Value
F - Foot mounting	Without
Mechani. end position limitat.	Without
Intermediate position	Without
Moment compensator	Without
M - Profile mounting	2 pcs
G - Cylinder switch, cable 2.5 m	Without
I - Cylinder switch, contactless, cable 2.5 m	Without
J - Proximity sensor, contactless, M8 plug	Without
H - Proximity sensor, M8 plug	Without
User manual	Standard
