

Configuration overview for compact cylinder

ADNGF-25-50-P-A-S2

#537126

Basic configuration	
Feature	Value
Function	ADNGF Compact cylinder, double acting, standard port pattern
Size	25 mm
Stroke mm	50 mm
Cushioning	P Flexible cushioning rings / pads on both sides
Position sensing	A For proximity sensor

Options	
Feature	Value
Piston rod type	S2 Through piston rod
Temperature resistance	Standard
Captive rating plate	Rating plate, glued
EU certification (ATEX)	Without
